Any project under \$500 will require full payment BEFORE production begins.
Any project over \$500 will require a 60% deposit BEFORE production begins. Full payment is due at time of install or completion of the job.

A 1.5% late fee will be added to all invoices over 30 days each month until the balance is fully paid.

General

Any changes from the above specifications may result in additional cost to be paid by purchaser and may result in additional time for completion. This contract is for custom work and accordingly cannot be cancelled once accepted.

Artwork

Specific existing logo artwork shall be provided by others in digital format, ready for output unless otherwise specified, free of encumbrances or copyrights. Purchaser agrees to indemnify SignCraft and Graphics for any use of encumbered or copyrighted artwork provided to SignCraft and Graphics.

Permitting, Engineering and Owner Approval

If requested by Purchaser, SignCraft and Graphics agrees to procure permits. Permits and permit acquisition are not a part of this contract unless specified as a separate line item. Structural engineering calculations are not a part of this contract unless specified as a separate line item. Purchaser is required to procure authorization and approval for all signage by the property Owner. All signage is subject to city and municipality codes and ordinance requirements and therefore the estimate may be subject to change. SignCraft and Graphics will not be liable or responsible for any disputes with the Owner or City.

Documentation and Bonds/Waivers

Any documentation required by purchaser from SignCraft and Graphics, including certificates of insurance and lien releases, must be requested at the time of order. If a performance bond is required, an add-on charge of 3.5% will be added to the original contract amount at the time of invoicing. Waivers of subrogation can only be requested before the job commences, and made in writing. A \$250 charge will be added to the final invoice for this item.

Installation

Purchaser is responsible to insure that the installation site is free and clear of all obstructions and that installation equipment can readily access the area of installation without encumbrance.

SignCraft and Graphics cannot be held responsible for any damage to landscape, plantings, or other obstructions during performance of installation or service work unless detailed in this proposal. Quoted installation charges are subject to change due to unforeseeable obstructions or hindrances. SignCraft and Graphics is not responsible for cost or repairs due to damage by others.

Electrical Connections

Purchaser must ensure that a licensed electrician will provide an electrical connection within five feet of signage site before SignCraft and Graphics installers arrive. If no electrical power is available at time of installation, the purchaser will be responsible for having a licensed electrician complete the wiring from the power source to the sign.
