

CLEANING INSTRUCTIONS

CERAMICS

1.

Set up for easy cleanup - newspaper on deck, splash pan over the newspaper

2a.

AFTER THROWING

- remove splash pan
- trash clay lumps from bucket & splash pan
- bring pan and tools to the sink
- pour water bucket in the sink

2b.

AFTER TRIMMING

- brush clay from the wheel & toss
- sweep any trimmings up off the floor

3.

Wash tools, splash pan, small and big sponges, then wipe down the sink.

4.

Wipe everything down with a clean, damp sponge. Throw away newspaper and any lumps of clay.

5.

Put tools in the proper bins, place clean stools upside down on wheel, turn off wheel power.

WEDGING TABLE

1.

Scrape up clay with plastic scraper, toss in trash.

2.

Wipe down table with a clean damp sponge.

3.

Clean sponge, put tools away.
