

# Animatronics Meeting-2025-03-02

## Date

02 Mar 2025 - 4pm

## Attendees

Mark

Kyle - \_robotics

Max - @mlocke

Jayson - @engpin

Gena

David @davidSteel

Darryl @darrylc

## Discussed Topics

- Previous months minutes
- Work day - Once we find out about the sewing machines going, I will message the group with date for workday
- Halloween -
  - Need to find out where to store the seating items in the lobby
  - Mark to go to logistics and talk to the team there.
  - Max suggested that we utilize the furniture in the lobby and have the skeletons run a 'Talk show'
  - Jayson to create the Madam floating head
  - Capt to work on the Frankenstein monster
- Other projects
  - David - bought in two projects, the OttoBot, and Eye Mech (Will Cogley)
  - Mark - Talked about Glube and its outing with SOP (Society of Play)
- Arduino class went really well,

## Action items
