

2025 Statement of Intent - Garreth

I, Garreth, am submitting my Statement of Intent to run for the Board of Directors.

95% of you don't know me, but only 10% of members vote in these elections I hear. What's up with that?

My experience at DMS is:

many things that many people care about sort of work.

I'd like to make them

sort of work 5% better.

Without any drama.

If elected, I promise I won't get burned out - I'm pretty tasty at administration and saying no. I'm not going to be there every day doing stuff. I'm more of a meetings and chill kind of board member.

If you're the 5% who've seen me weld, 3D Print, cut things with lasers, drive racecars, quilt, sew or make stickers, I'm better at admin than I am at making stuff.

In my 20 month career as a DMS member, I have successfully registered the Motorsports trailer with the DMV. That's the level of admin I can bring to bear on the board.
