

2018 Subaru WRX

2018 Subaru WRX 2.0L CVT Premium

Trim: WRX mid+L+M/R

Drive Type: AWD/All-Wheel Drive

Cylinders: 4

Engine Model: D1B

Engine Brake (HP): 268

Transmission Style: Continuously Variable Transmission (CVT)

Engine Displacement (L): 2

It's blue, it was donated.

CVT:

transmission: TR690 Cvt

make sure it doesn't overheat past say 230F - monitor using Cobb port do-hickey.

it has a heater-delete so make sure it warms up before use

No hard launches

Sport # is the setting of choice (gives it 8 pretend gears)

CVT Fluid:

take a clean container to a subaru dealer and get some - only use subaru fluid or the the CVT will experience a texas chainsaw massacre.

Events conquered:

G2 Motorsports Track Day 8/23/25

Hood pins:

Must use wooden paint protectors (pictured with hot glue below)
