Classrooms Guide

There are five general usage "classrooms" available for members to schedule at Dallas Makerspace. Most have some type of electronic projection capability, documented at this link on the [Classrooms page](#). Select the room that is most appropriate for your class.

Per the fire code, the max capacity for each of our classrooms is 49 persons (no classroom has more than one usable exit).

Rules regarding classes and external events are listed [at this link](#).

Classroom	Square Feet	Person Capacity	Default set-up	Layout can be changed by host	Suitable for messy projects
North Lobby	640	49 w/ chairs only, ~30? @ tables	Narrow Tables	Yes	Yes
Purple	340	8 - 12	Tables	Yes	Yes
