New Business: Discussion

Discussion: Move DyeSub physically and administratively to Vector

Discussed the merits of transferring Dye-Sub Sig under Vector Committee at an administrative level, vs. hosting Dye Sub Sig in Vector Committee area while DyeSyb remains a SiG of CA.

- Max stated concern that DyeSub Sig is not in line with Vector's purpose.
- Amelia argued that DyeSub equipment supports restoration, and administration in separate areas of DMS creates difficulty.
- CA minutes for Dec 2024 and Jan 2025 state Dye-Sub will move to CA, however CA may need to document a vote to approve.

Discussion: Move Table Top SiG physically and administratively to Vector

Discussion on moving Table Top SiG move administratively and physically to Vector (arcade area).

- Members agreed Table Top fit the mission and arcade area of Vector.
- However, CA needs to vote or note in minutes to release TableTop SiG.
- Will discuss moving Table-Top to Vector after CA Votes to approve move.
