

Vector Meeting-2025-12-15

Kayla Kua opens the meeting at 7pm

Vector will keep the integrity of what vector is intended to be as a space. Quy has a formal layout planned for the new year. Changes will be made so that there is space to work on projects.

Hannah has graciously taken charge of remodeling the front game room. It hasn't been completed. More help is needed, if anyone is interested in volunteering please message Hannah.

A vote was taken to adopt the Table Top SIG and the Dye Sub SIG into Vector. They were accepted and are now a part of Vector.

Amelia read aloud and reviewed the rules for the vector space.

The planko machine is donated and belongs to the space. We will be using this for decoration in the space.

Donate the small machine parts in the giant tool box to the national pinball group (Amelia is going to add Kayla to the Facebook Group for contact and permission to post)

Free Shelf the small tool box on top of the giant tool box.

Quy has mocked up a remodel of the Vector space - this remodel will take place in the new year. *DUE TO THIS REMODEL: Current projects are under reconsideration for an updated project end date. The space needs to be cleared out in order for the new work spaces to be installed.

Revisit and Communicate with current projects

Talk to Greg about committee storage

Action items

- Finish the front Game Room ([Hannah Flaherty](#) is needed more volunteer help with this - please contact her for further instruction)
- We need to reestablish a project end date ([Keith Kubal Max Locke Mark Reynolds Alan Faragher](#) Please send me a message with an estimated end date for your current projects in Vector before the next committee meeting)
- [Cary Fleming](#) and [Quy](#) will work on getting Dye Sub moved in to Vector
- [Christopher Mao](#) volunteered to help clean the gaming consoles - if we can find some more volunteers to test and see if the consoles work and if there's enough to keep them for the space.
- [Jacob Rook Jake](#) has offered to take a look at the cocktail table in the front lobby. The concern is we need a new fan. He has full permission to look at and help fix these machines as needed.
