

# Vector Meeting-2026-04-13

## Date

13 Apr 2026 - 6:01

## Vector Meeting Notes for 04/13/2026

**Start Time: 6:06 pm**

**Stop Time: 6:42 pm Mark Motion, Michelle Second**

### Attendance:

Quy Dao

Max Locke

Michelle

[Hannah Flaherty](#)

[Mark Reynolds](#)

Megan Murray

Michael Murray

### Topics:

- Need to come up with a Vector work day in order to move items from vector to purgatory storage.
- Reiterating the last day to fill out the restoration form is due 3/31. Any projects left on vector without form will be taken to purgatory.
- Reminder Board Elections coming soon
- Steam roller event coming up soon.
- Need Howard's contact, there is an interest in the re-homing program.
- Need a plan on when dye sub equipment can come to the vector area.
- Let's plan work day for vector projects.
- Awaiting Max to let me know what sizes for tour shirts
- [Megan Murray](#) sent images
- Order lock for the keys

### Updates:

- Restoration projects:
  - Singer 201 Treadle Sewing Machine:
    - Wooden base of treadle was re-shallaved, top area and front skirt panel were decoupled, then dried and cured.
  - Project Cluck Cluck:
    - Cabinet has been disassembled and moved to woodshop for repair
    - Audio is near ready to go pending cabinet work
    - Backdrops still need to get photographed
    - Fit of base has been completed

- Needing consulting for plexiglass in front
- Project Letter Press:
  - Working to disassemble large press 75% done
  - Will get test pieces to test braising to do restoration press braiding
  - Behind on stainless steel pins
  - Debating on finishing types
- Project Blindstitch:
  - Still in progress hope to get in this month for further progress

**Arcade/Table Top/Dungeon Room:**

- Update from Hannah;
- Weekly pathfinder campaign
- Steam Roller event soft opening, hard opening will be on free comic book day for the dungeon room.

**Dye Sub:**

- Awaiting control switch for clamshell heat press
- Trying to provide dye sub class the day before large heat press class to allow students a way to use a heat press for dye sub items
- Large Heat press classes have been regularly scheduled.
