

# 2016 Statement of Intent Chuck Baber

This letter is to serve as formal notification that I, Chuck Baber, am officially submitting my name to run for election to the Board of Directors for the Dallas Makerspace for the year 2016.

Recognizing that I would have but one vote in five, some of the ideas I will support are:

1) Help establish financial responsibility, and financial stability; 2) Help reduce real, and/or perceived favoritism; 3) Favor giving committee chairpersons more autonomy for committee decisions; 4) Encourage the adoption of a "growth" strategy, that includes realistic growth projections, future space requirements, and savings plans; 5) Encourage greater member participation in Monthly Membership Meetings.

As part of this Letter of Intent, I also agree to the duties and functions expected of me in this position that include, but are not limited to:

1) Making every effort to attend the annual meeting(s) and regular meetings; 2) Perform the duties and responsibilities of Director as outlined in the Dallas Makerspace Bylaws as well as the Dallas Makerspace Rules and Policies.

If elected, I am fully aware and understand the importance of my full participation as a productive and effective leader during my tenure on the Dallas Makerspace Board of Directors, and I agree to the terms and conditions set forth above.
