

# 2018 Statement of Intent Eric Harter

This letter is to serve as formal notification that I, Eric V Harter, am officially submitting my name to run for election to the Board of Directors for Dallas Makerspace for the year 2018.

My goals for 2018 are:

- My first goal is to help expand Dallas Maker-space's size and offerings while keeping it the intimate jewel it already has become.
- Another goal is to help members with communication on the spaces overall wants and needs.
- Another goal is to raise outside capital in the form of money, real estate, tools, management and professional education from other non profits and local businesses.
- My last goal is to build more cross over within the current community where more people interact and learn about what each other are doing.

As part of this Letter of Intent, I also agree to the duties and functions expected of me in this position that include, but are not limited to: Making every effort to attend the annual meeting(s) and regular meetings. Perform the duties and responsibilities of Director as outlined in the Dallas Makerspace Bylaws as well as the Dallas Makerspace Rules and Policies. If elected, I am fully aware and understand the importance of my full participation as a productive and effective leader during my tenure on Dallas Makerspace Board of Directors, and I agree to the terms and conditions set forth above.

/S/ Eric V Harter

Nominated by: Kris Anderson, Stan Simmons, John A. Gorman
