Skutt is a
reliable,
quality kiln
manufacturer
with an
excellent
customer
support
system,
heavily
favored by
kiln repair
technicians
for quick
turnarounds
on questions
and warranty
issues.
Strong
safety focus
in design
and are
frequently
used in
schools and
community
studios.

Currently the
price of
upkeep per
kiln is
around \$350-
500 per kiln
in
replacement
parts (every
6-8 months
for each
kiln). The
Production
Line, while
increasing
the capacity
significantly,
also features
heavy duty
elements
and solid
state relays,
reducing the
frequency of
replacing
these
consumable
parts of the
kiln.

Determine charity to give fleece hats to

Tons of hats need a home.

Discuss potential charities to donate the hats to. I'm leaning toward Metrocrest Services. Possibly some other charity that gives winter gear to the homeless/needy.

Probably zero.
